

ERMO

ERMO ARINTO DE BARRO WHITE WINE / ALENTEJO REGIONAL WINE 2021

Region: Herdade da Capela, Moura, Alentejo, Portugal
Producer: Ermo Wines
Winemaker: Joana Pinhão

- GRAPE VARIETIES:** 100% Arinto. 31 years old vineyards.
- VINTAGE:** The year was marked by some temperatures and precipitation fluctuations, being considered a normal year with some rainfall balance. In June and July the rain cycle involved average temperatures lower than normal. At the beginning of August, the high temperatures in Alentejo led to an anticipation of phenological stage, contributing for an earlier burst, flowering and ripening of the fruit. The harvest began on August, 6th. Very fresh and elegant wines are expected
- CLIMATE:** Typically Mediterranean with a strong continental influence and huge temperature variations. The regions's dry hot summer days and cool nights contribute to the perfect maturation of the grapes and quality of the wines.
- SOIL:** Poor soils, dominated by limestone, perfect to produce fresh, mineral and structured wines.
- VINIFICATION:** Manual harvest. Carefully selected grapes at the harvesting and in the cellar. Gentle destemming and crushing, cold pelicular maceration for 48 hours before the start of fermentation. The fermentation took place in 2 amphoras of 750L in a cold chamber at controlled temperature at 14°C with a pelicular maceration for 3 weeks. After the fermentation, the lagrima wine was sent to stainless steel tanks and the skins were pressed manually. The lagrima wine plus the press wine were put back in the amphoras and followed 10 months ageing before bottled.
- TASTING NOTES:** White wine with a clear and lemon yellow colour. On the nose, the wine shows a very fresh and textured character, it has a second dimension dominated by the earthy notes of the amphora. On the palate, the wine shows a very good texture supported with tension and acidity. This wine has an extremely gastronomic profile.
- Consume preferably at 10°C-12°C.
- N° OF BOTTLES:** 1,450 bottles.
- AWARDS/REVIEWS:** **Harvest 2020:**
18 Pts, Grandes Escolhas magazine (Portugal, 2022)
